"We live in the Gulf Area and we have been visiting Cyprus for many years. Three years ago Reginas Villas was recommended to us by a colleague. Since then we have visited Cyprus twice or three times a year and we always stayed at Reginas Villas. The villas are beautiful, the location is perfect because it is quiet, secluded and offers privacy and yet is very close to all amenities. We would not dream of going anywhere else as every time we are met with the usual warm welcome by the owners and staff and with the excellent standards of cleanliness and service. We highly recommend Reginas Villas to anybody who is looking for a quality holiday."

When caught here by the ash cloud we said we were "stranded in paradise". Having come back we are again impressed by your fine hospitality, the quality of the accommodation and service and the peaceful quality of our holiday. We would thoroughly recommend Reginas Villas to anyone looking for a superior villa holiday in secure, quiet surroundings. We will be back soon. Dr and Mrs. Kiff, Birmingham
